

84" Ultra HD 4k Commercial LED Display

introduction

The 84" Ultra HD 4k resolution LED display is a technological triumph, and we at Zoom Digital Signage are proud to offer it as a commercial grade display. It has an enhanced resolution of roughly 4X the pixel count of Full HD, making it nearly impossible to discern a single pixel. This is the next generation of display resolution.

features

84" Class Screen

Picture in Picture support

Ultra High Definition

240Hz Refresh Frequency

84" Ultra HD 4k Commercial LED Display

Specifications:

Display Panel	Screen Sizes	84"
	Number of pixels	3840x2160
	Aspect ratio	16:9
	Brightness	350
	Contrast ratio	1600:1
	Display colors	16.7mil
	Refresh frequency	240hz
	Viewing angle (H,W)	178°, 178°
	Lifetime	50,000h
	Housing	Black powder-coated metal
INPUT	HDMI1	1 for UHD
	HDMI2	1 for FHD
	DVI	1 for FHD
	DSUB	1 Max 1920x1200
	RS232C (9600 bps)	1
FUNCTIONS	Audio	Phone jack x 1
	PIP/ PBP	Yes
	Remote	Included
	Sound	10W x 2
	Cooling system	Fan cooling
TEMP	VESA wall mount hole	690mm x 500mm
	Temperature	32° - 104°
POWER	Humidity	20% - 80%
	Power(AC)	100 - 240 VAC
	Power consumption	390W
DIMENSIONS	Standby power consumption	Under 1W
	W x D x H (mm)	1996 x 89.6 x 1205
WEIGHT	NET WEIGHT	187 lbs
OSD	Language	Multi languages
